## Come to the cabaret

AS part of the Boardwalk's tenth birthday celebrations during September and October, patrons will be treated to a number of live shows and free entertainment.

The scintillating *Dream Girlz* cabaret will be live at the SuperSport Arena on Tuesday and Wednesday nights throughout September, October and November.

With its origins in Paris in the late 1800s at the revolutionary Moulin Rouge, this classy form of entertainment has been keeping audiences mesmerised for over a century.

The main voice behind the *Dream Girlz* is the beautiful Cheri Ferreira. The ladies will be live on stage every Tuesday and Wednesday at 8pm and the show is restricted to over 18s only.

The birthday celebrations will also feature a stunning fireworks display on October 9 and will end off celebrations in song with the *Boardwalk Meerfees* on October 31, with free live performances on the lake by top Afrikaans artists including Lianie May and DJ Ossewa.
