Sexy show before cup screenings

Ryan Sharpe

WORLD Cup fans who watch games at The Boardwalk Vodacom Amphitheatre's big screen will be kept entertained before and after the games by the sexy, energetic, Vegas-style *Delicious* cabaret show.

Delicious has been choreographed by well-known dancer, Tanya van Rie, who has performed for Pact Ballet and the Belgium Ballet Company.

Van Rie's cabaret shows are sought after throughout the world including Taipei, Hong Kong, Singapore and Turkey.

"We have also performed on some of the most prestigious cruise liners in the world," says Van Rie.

The *Delicious* cabaret show is made up of eight performers including six dancers, an illusionist and a singer.

"There is also a live aerial act," says Van Rie. "One can describe it as a playfully risqué show with a conservative bite!"

The dancers per-

form Vegas-style to some of the latest hits including Lady Gaga's *Love Game* and Beyoncé's *Single Ladies*.

Don't miss out on the *Delicious* illusionist act by talented Ryan Sharp.

"I have performed in 25 countries for the likes of Beyoncé, the Beckhams and even Nelson Mandela," says Sharp.

He was recently honoured as the first South African performer to be contracted at the historical London Hippodrome.

Delicious will run at 8pm before each 8.30pm game screened at The Boardwalk Vodacom Amphitheatre. There will be an additional show on PE game days (June 12, 15, 18, 20, 23, 26 and July 2 and 10) at noon.

The show will also run from 8pm on "rest" days, when no games are played.

Tickets are available through Computicket, or at the door for R50.

Access is restricted to over 18s only
